Team Building & Corporate Away Day Adventures in the Heart of Snowdonia

With 24 luxury, en-suite rooms at Plas Weunydd and a further 6 five-star en-suite mountain glamping tents nearby, we can offer groups of up to 30 people (based on single occupancy), making us the best team building away day experience available anywhere in the UK!

Named by the Sunday Times as the 'Best Hotel in Wales' our hotel and glamping accommodation is perfectly situated to offer a mix of team building experiences either on site at Llechwedd, or from a variety of locations just a short drive from the hotel itself.

Located on the UK's newest UNESCO World Heritage Site, explore the World's only underground, multi-storey trampoline park, traversing a subterranean zip-line course or flying through the air on Europe's longest combined zip-line course, our team building experiences are designed to challenge, exhilarate and push your team, all the while creating lasting memories.

Looking for something a little wilder? We work with local adventure activity providers to offer a range of half or full day mountain experiences including gorge walking, canyoning, abseiling and coasteering. If you have a specific request, let us know!

After an adventurous and challenging day around Snowdonia, what better place to come back to than Plas Weunydd's comfortable and cosy restaurant for home-made pizzas, amazing Welsh beers and more!

Throughout your stay, you will have the hotel for exclusive use, allowing us to give you our undivided attention.

Indoor and Outdoor Activities on Your Doorstep

Home to a wealth of North Wales slate mining history, Llechwedd now houses world-first underground and above-ground adventures. With views across Snowdonia from the top of Titan 2, where you can zip 1080m from half the height of Snowdon to the world's only subterranean playground of its kind, Bounce Below, and Caverns, the most incredible underground adventure zip line and adventure course – there is something for everyone in all weathers.

Caverns

A challenging underground course, Caverns is a one-of-a-kind experience that takes up to 3 hours and will leave you exhilarated and drained in equal measure. Set in a historic slate mine, the various nooks, crannies, tunnels and chasms have been brought back to life with 13 zip lines, as well as via ferrata, rope bridges, tightropes and more, to push your bravery and endurance to the ultimate test.

Titan 2

What was Europe's first four-person zip line, Titan 2 has evolved in 2021 to become an exhilarating tour and zip experience, containing 1 kilometre of the same four-person parallel zipping action, while adding an in-depth tour of this historic location to delight all ages.

With four parallel lines, Titan 2 is ideal for group days allowing you to race down the zips against each other.

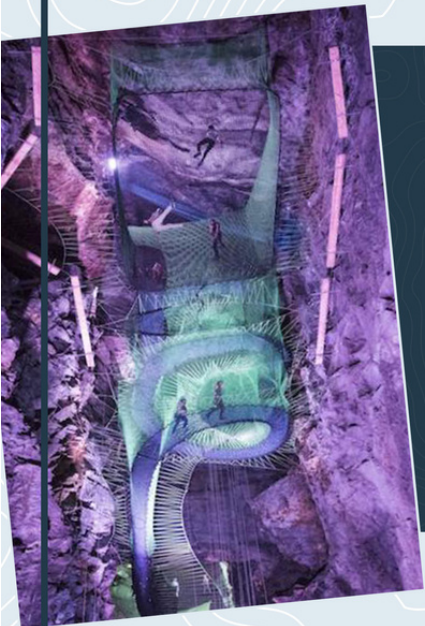

Bounce Below

Unleash your inner-thrill seeker in our enormous underground net adventure! Jump, bounce and slide your way through this disused mine on the best playground ever!

Zip World Slate Caverns' Bounce Below is a unique experience, which allows you to escape into a world of hidden adventure.

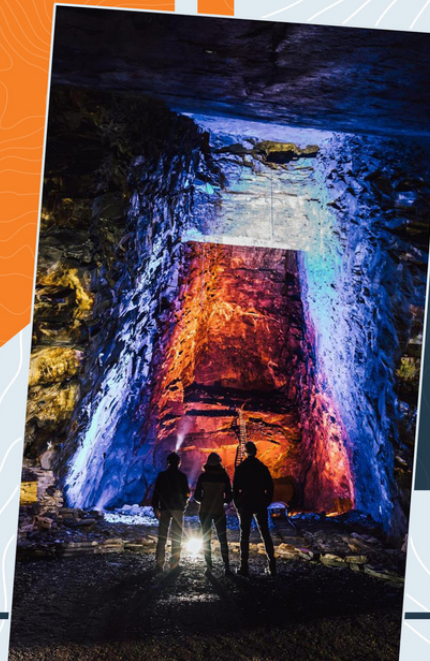

With 6 trampoline-style nets built into an area twice the size of St. Paul's Cathedral, there's plenty to be explored in this subterranean wonderland.

Deep Mine Tour

Learn all about this iconic mine's 16 underground levels – including where the famous Llechwedd Cheese is matured, and the 8 underwater layers.

With an impressive display of light projection and enhanced reality technology, you'll learn all about the work undergone by the former miners, including a talk from John Whitehead Greaves, the owner and founder of Llechwedd. See first-hand where the world-class slate was produced by local men and children, who risked their lives everyday to provide the world with this famous slate.

Something a Little... Wilder!

Snowdonia is a world famous mecca for outdoor adventure activities, and we work with local activity providers to offer a wide variety of experiences to suit all abilities. Choose from abseiling, coasteering, gorge walking, canyoning and more!

If you have a specific outdoor activity request, please let us know in advance and we will do our best to arrange it.

Coasteering

Coasteering is climbing, scrambling, swimming, jumping and exploring your way around the sea cliffs of Anglesey, North Wales.

Gorge Walking

Gorge Walking is scrambling, climbing, rock hopping, jumping in to water, swimming and squeezing your way up a gorge.

Canyoning

Canyoning is scrambling, climbing, abseiling, rock hopping, jumping in to water and swimming your way down a canyon local to the Llechwedd area.

Abseiling

Abseiling is a fantastic way to see Snowdonia from an entirely unique perspective.

Safe in the hands of our experienced mountain leaders, you'll make your way down vertical cliff edges just a few minutes drive away in Betws y Coed.

All activities are available as 2 hour, half day or full day experiences to suit the abilities of the team and to fit with the itinerary.

Please call or email for details or questions.

Plas Weunydd

Featuring 24 en-suite bedrooms, a bar and restaurant, Plas Weunydd is the perfect place for your team to relax, unwind and sample some local Welsh beers, ciders and spirits after a day of adventure experiences in Snowdonia. Recently awarded the Times prestigious 'Wales Hotel of the Year' award for 2021, Plas Weunydd offers an evening menu of freshly baked pizzas, fresh sharing platters and amazing desserts.

Llechwedd Glamping

There's no glampsite quite like Llechwedd Glamping - six fully en-suite luxury safari tents perched high on the hillside above Plas Weunydd.

Each tent can sleep up to five people and include a cosy woodburner, kitchenette, microwave, power shower and high speed internet. This is the perfect place to chill out after a day out in the mountains!
